Welcome to the twelfth issue of the 2016 Legislative Update with the 98th General Assembly. The *Legislative Update* will present a new bill by providing a summary description. When significant changes occur on the bill it will be summarized again. Any changes in bill status will be highlighted in **red** and an asterisk will be placed before the bill number.

- The *Legislative Update* issue number and current bill summary will be inserted each week along with the bill number, title, sponsor, and current status (includes the committee assigned, chair and vice chair of the committee). Online copies of the legislative updates will have a red hyperlink to take you to the description of the bill and sponsors.
- The *Legislative Update* will also include an index to assist you in locating the bill's sponsor and brief description.
- Each issue of the *Legislative Update* is available on the Governor's Council on Disability's website at <http://disability.mo.gov/gcd/>

Access to individual bill information is available on the Missouri Senate's website at <http://www.senate.mo.gov/BTSSearch/Default.aspx>

- A glossary of legislative terms can be found at [Missouri House of Representatives](#)
- Please contact our office (Laura.Mueth@oa.mo.gov) if you need a different format.
- To learn more about the legislative process consider attending the *Legislative Education Project* training or watching our online modules and videos.
- Governor's Council on Disability (GCD) welcomes your comments and suggestions. Your comments can be submitted online to the GCD website at <http://disability.mo.gov/myForm.htm> or call us at (800) 877-8249.

Most of the summaries are prepared by the Research Staff of the Missouri House of Representatives and are used by permission.

Bills are organized in the following categories:

- Assistive Technology

HB 2813 - Fitzwater

Establishes the Deaf Child's Bill of Rights

This act establishes the Deaf Child's Bill of Rights. It specifies that Deaf children should have appropriate hearing and vision screenings by individuals proficient in ASL and learn ASL and English at the earliest possible age. It states that children should have appropriate and individualized early access to language services. It includes assessments at regular intervals to ensure progress. It states that the parents of all Deaf students have full and informed participation in

educational plan development for their students including placement and being able to request a school for the deaf. A language access plan must be part of other formal plans. Students shall have access to support services. Students have a right to direct instruction and when not available have access to teachers, interpreters, and resource professionals who are fluent in ASL, English, and any home language. Certified deaf interpreters will be available for students under age seven who do not receive direct instruction. Deaf students will have access to all programs and information in the educational setting. Children who are deaf have the right to access peers and adults who are deaf including in determining programs. Professionals in deaf related fields are responsible for providing information to parents on particular topics as outlined in the act. They are entitled to mental health services provided by a professional fluent in ASL. A state agency will track each child from birth or time of identification until age twenty-one. It states that there will be punishment for violations and data will be compiled and published on an annual basis.
