#### Developmental Disabilities Resource Board Emergency Housing Assistance Policy

Policy Origination: July 1, 2010 Revision Effective July 1, 2017 Policy Reviewed: November 17, 2016

#### Scope of Emergency Housing Assistance Program

The DDRB provides funds to assist individuals with developmental disabilities and families with a child with a developmental disability to prevent homelessness or displacement. The availability of these resources allow individuals and families with developmental disabilities to receive assistance with rent and utility deposits; rent and mortgage payments; utility payments, moving expenses and other expenses to establish a household unit. Individuals and families will be connected to other local community services and resources to help sustain their independence. This program is designed to provide emergency/temporary assistance and not yearly ongoing assistance.

#### **Eligibility**

Individuals must have active case management services through Missouri Department of Mental Health Division of Developmental Disabilities and be a current resident of St. Charles County. Individuals and families must meet the annual income guidelines according to the AMI (Average Median Family Income) for St. Charles County. Individuals and families cannot have a combined annual household income above 50% of the AMI with deductions for eligible family members. Families with a dependent may deduct from the annual total an additional \$480 for each dependent and an additional \$400 for each family member with a developmental disability.

#### Guidelines

- 1. Applications are obtained through and submitted by the individual's case manager or service coordinator by DMH or DDRB.
- 2. Supporting documentation of income and expenses must be included with the application to verify and ensure accuracy of the application.
- 3. All payments will be made directly to the vendor and not the individual applying for funds.
- 4. Individuals and families are eligible for a maximum of \$1200 per fiscal year- starting July 1 and ending June 30 each year. Each individual/family has a lifetime maximum of \$3600. Recipients prior to July 1, 2015 are eligible for the revised lifetime maximum.
- 5. Individuals and families are referred to community resources to meet ongoing support needs such as Missouri Division of Vocational Rehabilitation or the Missouri Job Center for employment services North East Community Action Corporation for utility assistance, independent living services, etc.
