In the bottom left corner of the screenshot are the logos for 'DDR B Developmental Disabilities Resource Board of St. Charles County' and 'PF St. Charles'.

Throughout the month of March the DDRB and People First St. Charles members will be highlighting awareness topics that represent our mission of ensuring that individuals with developmental disabilities living in St. Charles County have quality opportunities and choices to be fully included in society.

People First St. Charles created the theme and artwork for this year's developmental disabilities awareness month.
