

## **St. Charles County Support Group for People with Asperger's and PDD**

This support group is for people on the autism spectrum with Asperger's Syndrome or Pervasive Developmental Disorder who are 18 years of age and older. We encourage that individuals attend these meetings independently.

The group meets the first Tuesday of each month from 6:00 p.m. to 7:00 p.m. at the DDRB office, 156 St. Peters Centre Blvd., St. Peters, MO 63376.

Occasionally guest speakers from area agencies who specialize in autism will join us. When appropriate, we will extend an invitation to families who may be interested in attending the speaker portion of the meeting.

The main goal of this program is to provide and evaluate relevant information, relate personal experiences, provide opportunities to listen to and accept others' experiences, provide sympathetic understandings and establish social networks.

Meetings are facilitated by DDRB Case Manager Leslie Peasel on a volunteer basis.
