Welcome to Issue 16 of the *Legislative Update*. There are only two weeks remaining of the legislative session. To make tracking the progress of bills easier any change in bill status will be highlighted in red.

As always, we welcome your comments and suggestions. We again have an index to help you find what category each bill is under. Please feel free to contact us with suggestions, questions or comments.

Just as last year, the bill will be summarized the first time it is listed. If significant changes to a bill occur, they will be summarized when the change occurs. The bill number, title, sponsor, and current status will be reported each week along with the *Legislative Update* issue number in which the most recent summary can be found.

Each issue of the *Legislative Update* is available on the Governor's Council on Disability's website at <http://www.disabilityinfo.mo.gov/gcd/> Access to individual bill information is available on the Missouri General Assembly's website at <http://www.moga.mo.gov/>.

A glossary of terms can be found at <http://www.house.mo.gov/> If you need a different format please contact our office.

The summaries are prepared by the Research Staff of the Missouri House of Representatives and are used by permission.

If you would like to learn more about the legislative process consider attending the Legislative Education Project training. For more information call 1-800-877-8249.

Customized Legislative Process training: The Governor's Council will offer customized one day trainings on the legislative process.

Bills are organized in the following Categories:

- Assistive Technology
- Crime
- Education
- Employment
- Funding/Appropriations
- Health Care and Personal Assistance
- Legal Rights and Responsibilities
