Welcome to the tenth issue of the 2012 Legislative Update with the 96th General Assembly. The *Legislative Update* will present a new bill by providing a summary description. When significant changes occur on the bill it will be summarized again. Any changes in bill status will be highlighted in red and an asterisk will be placed before the bill number.

- The *Legislative Update* issue number and current bill summary will be inserted each week along with the bill number, title, sponsor, and current status (includes the committee assigned, chair and vice chair of the committee). Online copies of the legislative updates will have a red hyperlink to take you to the description of the bill and sponsors. Appropriation bill links will have a purple hyperlink.
- The *Legislative Update* will also include an index to assist you in locating the bill's category.
- Each issue of the *Legislative Update* is available on the Governor's Council on Disability's website at <http://www.mo.gov/disability/gcd/>
- Access to individual bill information is available on the Missouri General Assembly's website at <http://www.moga.mo.gov/>
- A glossary of terms can be found at <http://house.mo.gov/>
- Please contact our office (Laura.Mueth@oa.mo.gov) if you need a different format.
- To learn more about the legislative process consider attending the *Legislative Education Project* training by registering online.
- Governor's Council on Disability (GCD) welcomes your comments and suggestions. Your comments can be submitted online to the GCD website at <http://www.mo.gov/disability/gcd/> or call us at (800) 877-8249.

The summaries are prepared by the Research Staff of the Missouri House of Representatives and are used by permission.

Bills are organized in the following categories:

- Assistive Technology

***HB 1887 - Grisamore**

Prohibits a sheltered workshop's board of directors from holding in reserve any general operating moneys in excess of one year's estimated annual general operating costs with certain specified except

This act states that no sheltered workshop board of directors should hold in reserve general operating money that is more than one year's estimated annual general operating costs. The reserve limitation does not apply to capital improvement projects and one-time special expenditures. Money for these items should be kept in a separate account. Any money that is over the limit and not used by the end of the fiscal year will be returned to the taxpayers in the district where the sheltered workshop is located. The act also states the type of financial information that the sheltered workshops should provide to the Department of Health and Senior Services by February 1 of each year. A penalty will be assessed for failure to comply by February 1.

Requires DESE to establish a work group to assess
 available resources needed for effective work
 experiences for youth with disabilities

This act instructs the Department of Elementary
 and Secondary Education to establish a work group
 by September 1, 2012 to assess whether the needs
 of transition age youth with disabilities are being
 met in terms of job placement and employment by
 encouraging involvement by key stakeholders and
 looking at current practices and available resources
 to plan and implement a variety of services that will
 result in a successful transition to employment,
 lifelong learning, and quality of life for students
 with disabilities. The group will decide whether
 additional partnerships with other state agencies
 are needed and determine the strengths and areas
 for improvement with transition services. The
 findings from the work group will be used by the
 Department to compile recommendations which will

be given to the General Assembly before January 1,

***HB 1902 - Grisamore**

Establishes provisions relating to the procurement of goods and services by state agencies with persons having significant mental or physical disabilities

This act creates the Purchasing from Persons with Disabilities Advisory Board within the Office of Administration’s Division of Purchasing. There will be seven members of the Board representing state agencies and people with disabilities, and the private sector. The Board will provide oversight for the Division of Purchasing in regards to purchasing good and services from people with significant disabilities. The Division of Purchasing will facilitate the procurement of goods and services from a person with a disability, an agency that employs people with disabilities to produce goods or services, or an agency that qualifies for the Ability

One program. The Division will maintain a list of goods and services available from these groups which are suitable for procurement, approve prices for goods and services, review bids, and renew contracts. Other guidelines are set forth in this act.
