**\*HB 2104 - Elmer**  
 Modifies provisions relating to the Second Injury  
 Fund

This act changes the definition of “employer.”  
 There are provisions for employer penalties.  
 Compensation for permanent disability will be  
 computed based on the earnings at the time of the  
 last compensable injury. The act adds the one  
 hundred fifty-fifth week level to the criteria for a  
 subsequent compensable injury. If someone has  
 received money previously from the second injury  
 fund because of pre-existing disabilities and a  
 compensable injury, the amount will be deducted  
 from the remaining balance. The second injury  
 fund will only pay permanent total disability  
 benefits after the individual has reached maximum  
 medical improvement and credit has been given for  
 the time representing the employer’s liability. The  
 second injury fund pays the difference between the  
 employer and the permanent total disability. It puts  
 limits on when the second injury fund will pay for  
 medical or burial expenses. An employee or  
 dependent must file proof of service with the  
 Division of Worker’s Compensation within one  
 hundred twenty days of filing a claim. The claim  
 will be dismissed if this is not filed. The act also  
 includes other provisions.
