DDRB FY2022 Priorities

Market Rate Adjustment (MRA) The DDRB intends to provide a MRA on existing contracts, if possible. More information will be provided by March 2021.

Growth: Requests for growth will be accepted. Funding of growth requests will be dependent on availability of funds and level of priority, as defined below:

1. Critical for individual's/family's health and safety
 - Having the potential to become disastrous: at the point of crisis
 - Individual's life would be unstable and at risk of severe harm if service is not received
2. Essential to individual's/family's quality of life
 - Absolutely necessary, extremely important
 - Individual would not have the skills/supports to participate in key life areas: employment, mobility, independent living
 - Environment/community would not be able to support individual's participation: home, community services

New Projects: New projects that meet the Critical/Essential level of priority may be considered if funds are available. Contact Kathy Robb at krobb@ddrb.org prior to submission.
